Project Title :

 Glasses E-Commerce webside

Introduction :

This project is a simple and responsive **Glasses E-Commerce Website** built using HTML, CSS, and JavaScript.
It allows users to explore different types of eyewear, view product details, and understand the brand's style and collection. The website focuses on clean design, easy navigation, and a smooth user experience.

Technologies Used :

- **HTML:** Structure of the website

- **CSS:** Styling, layout, and responsive design

- **JavaScript:** Interactivity (like menu)
